

PEOPLE4SUDAN

People-to-people initiative to advance human rights through humanitarian action

Format for nominating projects and activities for support

Please review www.people4sudan.org for background information (website under construction).

Projects are solicited for the benefit of Sudanese inside the country or as refugees in neighbouring countries in the following categories:

- human rights defence and promotion
- food and nutrition
- healthcare including water and sanitation
- education

If you have questions, or when applying for support, submit the following information by email to people@people4sudan.org

0. Summary (max 200 words) of your proposal to People4Sudan: *(Highlight key features of what you will be doing, where, and whom you will be serving, and the financial support that is sought)*

1. Name and address of agency/group applying for support:

2. Name and contact details of person applying:

3. Outline (max 300 words) what your group or agency does: *(including its mission, key activities, governance and organisation. Indicate if and where it is registered as a non-profit (this is not a condition for eligibility)*

4. Outline (max 300 words) the specific issue, problem, or gap that your proposal will address:

5. Outline (max 500 words) what you will do in this project: *(including where you will work, any local partners you will work with, the types and numbers of beneficiaries you will help, the nature of the assistance that will be provided, and the timescale and activities undertaken to reach the beneficiaries).*

6. Outline your project budget: *(in US dollars please indicate in US\$ what your project costs, with key budget lines, and what funds you may have already and from whom, and the funds sought from P4S).*

7. Outline (max 200 words) any special risks you may face and what you will do to manage and mitigate them:

8. Outline (max 200 words) how you will monitor progress, and measure results:
